

WHAT TO RECYCLE DUAL STREAM

Paper Products including cardboard, cereal boxes, egg cartons, folders, junk mail, magazines, milk cartons, newsprint, office paper, paper towel rolls, phone books, shoe boxes, and soft cover boxes

- Place paper products beside the recycling bin, in a brown paper grocery bag, or tie with string
- Do not include paper with excessive food waste or paper that is excessively dirty or oily. No potato chip or snack bags that are not numbered.

All clear and colored glass, food and beverage containers including juice, all food and sauce jars, liquor and wine bottles, and condiment containers

- Rinse containers and remove caps and lids. It is not necessary to remove labels from containers.
- Do not include plate glass or ceramics in the curbside bin. These materials can be delivered to the Drop Off Facility for recycling.

Steel or aluminum food and beverage containers including deposit/non deposit beverage cans, metal food cans, aluminum foil, and metal lids

- Rinse clean, labels may be left on, CRUSH metal to save space, place in the bin with the other recyclables.
- Do not include pressurized spray cans, car parts or metal that is not from household use. These materials can be delivered to the Drop Off Facility for recycling.

All plastic containers marked #1 through #7 including beverage/food, detergent, pails, oil/anti-freeze (drained and clean), household grade foam containers/packaging

- Remove and discard caps and pumps, rinse clean, CRUSH to save space, place in bin with other recyclables
- Do not include large molded plastic items (laundry baskets, toys, containers over 5 gallons), any plastic container still containing residue, Styrofoam packing peanuts, garden hoses, or household grade plastic bags/films.
